

Purity Spring Resort A Family Tradition

INTERMEDIATE FLY FISHING WORKSHOP FOR WOMEN **September 25-27, 09**

Enjoy a women's weekend of fly fishing on still and moving water

Women who have tackled the basics of fly-fishing and are looking to move towards independence as a fly-angler can get the help they need - and have a great time in the company of other women anglers – at an intermediate fly-fishing weekend offered September 25-27, 2009.

Registration opens July 2nd. The course is co-sponsored by the New Hampshire Fish and Game Department's "Let's Go Fishing" Program and Becoming an Outdoors-Woman (B.O.W.), a program co-sponsored by Fish and Game and the N.H. Wildlife Federation.

***Note:** This event is for women with some fly-fishing experience who want to become more confident fly-fishing on their own.

The weekend will cover the finer points of casting - accuracy, timing, shooting the line; reading the water and then picking a proper fly and knowing how to cast it; and what to do when you catch a fish - playing and releasing.

Participants will have the opportunity to fish both still and moving water.

The N.H. Wildlife Federation is a nonprofit group dedicated to ensuring wise use and proper protection for the natural resources of New Hampshire and the U.S. Visit www.nhwhf.org.

The New Hampshire Fish and Game Department is the guardian of the state's fish, wildlife and marine resources.
